UNICELL[®]

ONE PIECE FIBERGLASS VAN BODIES

PROMASTER CLASSICUBE VAN BODY

ONE PIECE FIBERGLASS VAN BODIES

1. Beautiful Exterior
No seams. No rivets. Smooth, glossy surface is perfect for company graphics. Five times tougher than .040" aluminum and better puncture resistance than 1/2" plywood.

2. High Profile Taillights
Taillights are easier to see and less damage prone.

3. Tough Floor
1-1/2" dense yellow pine with a heavy-duty steel understructure.

4. Bright Interior
Built in skylight and bright LED light allow a well-lit interior and safer work area.

5. Easy Access
The optional extra large sliding bulkhead door allows comfortable access between cab and body.

6. Lining
Standard 3/8" plywood lining with optional D-rings for securing cargo.

7. Safety Step
Standard galvanized steel grip strut step bumper has an extra deep non-skid surface.
